

ARDALAN | FULL-STACK AI-JAF DEVELOPER

ardalanjaf.com | contact@ardalanjaf.com

I am a versatile, energetic and detail-oriented dev with a track-record in effective communication, committed team-collaboartion, strong sense-of-initiative and fast learning. I am looking for a long-term permanent role in an established company.

EXPERIENCE

Full-Stack Developer, Free-lance (August 2022 - present)

I'm not one to wait, so whilst applying for junior roles I've independently started working professionally as a dev (all finished projects viewable on portfolio site).

Photography site

[React/Redux](#) | [SASS/Styled-components](#) | [NodeJs](#) | [GraphQL](#)

Digital exhibition space for established photographer's personal work. Working very closely with artist to style digital space as they develop their online vision.

MARB Language Services

[React/Redux](#) | [SASS/Styled-components](#) | [NodeJs](#) | [SQL](#)

Online home for established translation company based in Miami. Focus being to not need future updates, all copy fully changeable by client on the front-end.

Klover Healthcare

[React/Redux](#) | [Bootstrap](#) | [NodeJs](#) | [Stripe API](#) | [SQL](#)

Commissioned for psychologist offering a mental-health assesment service. Includes dynamic appointslot slot generation, client UI and online payments.

Full-Stack Dev Trainee, The Jump Digital School (January - April 2022)

After teaching myself for six months I took a three-month full-time course to learn industry standards from 30+ years veteran tutors.

Portfolio

[React/Redux](#) | [SASS](#) | [NodeJs](#) | [SQL](#)

I used my portfolio site as a chance to cement my learning of React/Redux, nodeJS and MySQL. Designed to feel clean and smooth, yet with personality!

Find Sparks

[React/Redux](#) | [Bootstrap](#) | [NodeJs](#) | [SQL](#)

A mobile dating-web-app made in a team of four. Whilst I worked on onboarding, data-management and the back-end, I solely designed the matching algorithym.

Relevant Non-Tech

Support Case-Worker, Depaul UK (Aprill 2018 - May 2020)

Supported young people at risk of homelessness in highly challenging and dynamic conditions. Collaborated effectively in under-resourced teams. Learnt quickly on-the-job to achieve beneficial results for cases where previous support workers had failed.

Event Company Founder, Hidden (September 2016 - November 2017)

Founded and ran an events company in Medellín, Colombia. Regularly worked to punishing deadlines and manage staff of upto 12. Company was profitable enough to fully re-pay starting loan and pass company on to local protogé.

English Language Teacher, Various (July 2015 - September 2016)

Taught classes in the UK and individuals in Colombia. Required excellent written and oral English communication skills. *All* of my students successfully passed their respective qualification exams whilst under my tutelage.
